

# **You didn't hear it from us... You heard it from existing customers!**

**'Proform knows how to build reliable machines and that is why they are always our first choice.'**

Ernie Stoiber, Tooling Manager, Bend All Automotive Inc.

**'Proform provides excellent service and is always there when you need them.'**

Leon Falkovich, Engineering Manager, Fluid Motion Technologies

**'I have worked with Proform for over ten years and in that time they have never failed me on a project. They work with me to ensure that the machine meets all of my requirements, does what it is suppose to do and is delivered on time. They have done a superb job in working with me on all of my projects.'**

Noel Brumage, Tooling Engineer, Dana Corporation

**'I am very pleased with Proform's work. The machine construction and documentation are excellent and the service has been exemplary.'**

David Angel, Assistant Manager Manufacturing Engineering, Curtis-Maruyasu

**'Proform is a valued vendor and has been for a long time. I would be personally willing to recommend them.'**

Gary Wilson, Sr. Tooling Engineer, Coupled Products

**'We have purchased 29 machines from Proform over the years and they have always stood behind their equipment - providing prompt service and supporting their warranties.'**

Armando Ricci, Assistant General Manager, Atlas Fluid Systems
